

CONFIDENTIAL

18 November 1969

MEMORANDUM FOR THE RECORD

**SUBJECT: H.R. 14571, "To Amend CIA Retirement Act of 1964,
for Certain Employees, As Amended"**

1. I met with Chairman Mendel Rivers when he left the meeting of the House Armed Services Committee this morning and thanked him for the expeditious approval given H.R. 14571. The Chairman noted that this clears the bill for floor action and that at this time, frankly, he hates to take anything on CIA to the floor. There are just too many members who are not with us. The Chairman was very clear that he does not intend to delay going to the floor with our bill, but was relating in confidence his assessment of the present climate in the House.

2. It is not possible at this time to anticipate the date on which the bill will be brought up on the floor of the House of Representatives.
